THREE WEEKS LEFT FOR PETITIONS

We appreciate the help that we have gotten from so many in our quest to have 4,500 signatures for our filing petitions. We would like all petitions returned in the next three weeks. This gives us enough time to meet with our lawyer and make sure that our filing is perfect.

Though we are doing well we could always use more. Let us know if there is anything we can do to help you help us to this goal.

Our petitions and instructions are [downloadable](#) from the website. Thanks again for your support and help.
